

Plant Research

L.o: I can find out interesting facts by researching in books and online

There are so many interesting things to discover by reading about plants online or in books e.g.

- Why does a plant need roots?
- What happens in the leaves?
- How do plants make new plants?
- Why do leaves change colour in autumn?
- How long can plants live?
- Why do flowers smell?
- Why are most plants green?
- What is pollen?
- How big or small can a plant be?
- Can plants get ill?

Here are some good websites
