

Starting School

Things I can try...

	Put my coat on	
	Use the toilet and wash my hands	
	Carry my own bag	
	Open my snack box or lunchbox	
	Tidy toys when I have finished playing	
	Listen during story or carpet time	
	Take turns and share with others	
	Ask for help if I need it	
	Recognise my own name	
	Hold a pencil or crayon	
	Try new things	
	Say goodbye to my grown-up	

REMEMBER...

Every child settles into school at their own pace -
we are ready to help them grow, learn and shine
